**Notice: The Certificate is subject to terms and conditions overleaf. Any significant changes in design or construction may render this Certificate invalid.
The digitally signed and electronically distributed document is the original and valid certificate. Ref: www.dnv.com/digitalsignatures.**

If any person suffers loss or damage which is proved to have been caused by any negligent act or omission of Det Norske Veritas, then Det Norske Veritas shall pay compensation to such person for his proved direct loss or damage. However, the compensation shall not exceed an amount equal to ten times the fee charged for the service in question, provided that the maximum compensation shall never exceed USD 300.000. In this provision "Det Norske Veritas" shall mean the Foundation Det Norske Veritas as well as all its subsidiaries, directors, officers, employees, agents and any other acting on behalf of Det Norske Veritas.

The following documentation formed the basis for the assessment:

<i>Document No.</i>	<i>Name/Title</i>	<i>Version/Date</i>
37880027	Produktmanual Product manual (Låglift) Mini 500	Ver. 2010/2010-08-30

Cert. No.: 84324-2010-CE-NOR
Project No.: PRJC-201470-2009-PRC-NOR

Terms and conditions

This Certificate is subject to the following terms and conditions:

The Producer (see 2001/95/EC for precise definition) is liable for damage caused by defect in his product(s), in accordance with directive 85/374/EEC, as amended, concerning liability of defective products.

The following conditions may render this Certificate invalid:

- Changes in the design or construction of the product
- Changes or amendments to the referenced directive
- Changes or amendments in the standards which form the basis for documenting compliance with the essential requirements of the directive

Marking of product

This Certificate is only concerned with the design of the product. To fully meet with the requirements of the Directive and legally affix the CE mark, the Manufacturer must take all necessary measures to ensure the manufacturing process makes sure that the manufactured product complies with the technical documentation and with the requirements of the Directive, and draw up an EC Declaration of Conformity.
